## Are You Ready For A Shift, Vancouver?

### Energy & You Event

Attend this life-changing seminar with Group CEO, Mr. Arun Kemer and receive complete clarity on the quantum physics behind the amazing products from Amega Global. At this all day gathering, you'll learn how our products work, how they are energized and how you can more fully participate in the Self-Care Evolution.

You'll also have the opportunity to create a massive shift in your personal life and in your Amega business as you are guided down the path of understanding how the zero-point field and our new knowledge of energy and interconnectedness relates to you and your own personal reality.

It's going to be a day of amazing shifts!
